

Gulf MAX Ultra Pick-up

Synthetic Technology Diesel Engine Oil

for Pick-ups

Product Description

Gulf MAX Ultra Pick-up is a high performance Diesel Engine oil designed intended for the modern high performance light-duty diesel engines in pick-up trucks. It provides all-round engine protection to ensure trouble-free operation even under difficult driving conditions, and also offers fuel economy benefits. Gulf MAX Ultra Pick-up is suitable for a variety of light-duty diesel engine types such as common rail direct injection (CRDI), turbocharged, naturally aspirated and multivalve type engines.

Features & Benefits

- Improved oxidation stability reduces sludge build up & viscosity increase to facilitate long drain intervals
- Enhanced detergency minimises deposits and enhances engine cleanliness
- Good soot handling capacity helps control oil thickening and wear
- Improved fuel economy benefits
- Better wear protection reduces maintenance costs and extends engine life
- Good corrosion inhibition properties provide protection against rust and corrosion

Application

- Modern high performance, multivalve, common rail direct injection (CRDI), turbocharged, or naturally aspirated light-duty diesel engines of pick-up trucks for arduous conditions such as city stop and go, high speed and/ or high load, including those equipped with Exhaust Gas Recirculation (EGR)
- Also suitable for light-duty diesel engines in MUVs and SUVs requiring such type of oils

NOTE: Not suitable for vehicles employing Diesel Particulate Filter (DPF) and requiring low SAPS oil.

Specifications, Approvals & Typical Properties

Meets the following Specifications		10W-30
API CI-4		X
Typical Properties		
Test Parameters	ASTM Method	Typical Values
Viscosity at 100 °C, cSt	D 445	12.3
Viscosity Index	D 2270	144
Flash Point, °C	D 92	236
Pour Point, °C	D 97	-42
TBN, mg KOH/g	D 2896	10.6
Density @ 15°C, Kg/l	D 1298	0.8712
Sulphated Ash, wt%	D 874	1.31

Gulf Asia-Pacific – July 2025

Properties mentioned are typical only and minor variations, which do not affect product performance, are expected to arise in normal manufacturing processes. Please follow equipment manufacturer's recommendations for performance level and viscosity grade. The Safety Data Sheet for this product is available from your nearest Gulf Distributor. Please consult our local representative if any further information is required.
