

# Gulf Multi GT

## Passenger Car Motor Oil

### Product Description

**Gulf Multi GT** is a high quality passenger car motor oil designed for older turbocharged and naturally aspirated gasoline powered passenger cars and diesel powered light duty vehicles. It is blended using selected high good base oils and performance additives to provide excellent engine protection. It is developed to exceed the performance requirements of API (American Petroleum Institute) SG/CD.

### Features & Benefits

- Better thermo-oxidative stability minimises deposits & sludge build-up
- Effective rust inhibitors retard formation of rust in critical engine parts
- Better antiwear technology minimises engine wear to reduce maintenance costs
- Good Stay-in-grade performance ensures reliable lubrication even at higher load & operating temperatures

### Applications

- Recommended for use in all modern high performance turbocharged & naturally aspirated gasoline powered passenger cars and diesel powered light duty vehicles requiring API SG & API CD quality oils
- It may also be used in older vehicles where an API service category SF or commercial category CC quality oil is recommended
